

John Deere 450-650K Bulldozer Root Rake

Armor Cage is now offering:

Heavy duty root rake blade attachments for John Deere 450-650K bulldozers.
Our root rakes are built to get the job done fast and last a lifetime!

Check out the key features:

- Extra Heavy Duty 1" thick reinforced Mounting Arms
- Heavy duty 2" Mounting Pins (33% bigger than other brands)
- 1-1/2" thick, abrasion resistant AR400 steel tines
- 8 tooth design available in multiple widths to fit your machine
- Heavy walled tubing construction
- 5/8" plate reinforcing ribs, for extra rigidity
- Optional extreme heavy duty 5/8" Brush Guard

Please see your sales associate regarding fitment for your machine.
